

Dear families,

It has been fantastic to welcome you all back for a new school year and a special welcome to all our new families who are joining our learning community. Our learners have settled back into the routines at WFA so well and have been sharing their Class charters today showing how well they understand their Rights and Responsibilities - below we have included Elm Learning Zones as an example. We hope that you have enjoyed reading the Enquiry Overviews for Years 1 to 6. These will be sent out at the beginning of each Enquiry so that you have a sense of what the children are learning. This term, we will be holding family learning conferences for Years 1-6 which will give you a chance to have a conversation with your child's teacher and find out more about how you can support their learning at home. The conferences for Oak families will be next term to allow for the team to settle the children into Oak Learning Zone.

Trim Trail and Monkey Bars

Please do not let your child use any of the outdoor equipment at the beginning or end of the school day. This equipment is for use during learning time only.

Clubs

We have shared an overview for clubs that we are offering this term. We aim to offer a range of extra-curricular provision over the year. Some clubs will be run by external providers, and therefore need to be paid for, and some will be run by members of the WFA team in their own time. We hope to extend the range of clubs over the year.

Important Reminders:

Due to serious allergies we are a **nut and seed free** school – please do not send these items into school as part of a packed lunch.

To help us return any misplaced items to their correct owners please ensure that you label all of your child's clothing – we can then pop these back into the correct garden room when found.

Emails: If you would like to contact us please ensure you email info@wfa.clf.uk as our schoolcomms system does not always allow us to access replies to emails sent.
