

## PE and Sports Premium Plan 2021/22

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
<p>Our scheme of learning, <b>real PE</b>, was successfully introduced in the academic year 2018/19. This included comprehensive subject leader training and whole school CPD sessions on inset days and after school. The scheme was embedded during the academic year 2019/20 and continues to be impactful. Real PE subject leader training carried out by new PE lead.</p> <p>A strong working relationship had been developed with <b>Bristol Sport</b> which has led to improved quality of PE provision, increased teacher confidence, increased access to a broad range of sports, as well as providing links to a number of local professional sports teams.</p> <p><b>Class Yoga</b> has been well used across the school, which has supported the physical education and mental wellbeing of children across the school.</p> <p>All staff have attended Real PE CPD to increase effectiveness of athlete sessions (2 twilight sessions).</p> <p>CLF Festival of Sports attended by a number of children in Year 4 and 5 to provide opportunities and exposure to a wide range of sporting activities.</p>	<p>Re-introduce our offer of <b>competitive sport</b> after a break during the pandemic. Make further links between academies and other local schools for opportunities to engage in competitions and matches in a wide range of sports.</p> <p>To further monitor the impact of <b>real PE</b> through observations to ensure it continues to be delivered to a high-level. Ensure any new staff access real PE training.</p> <p>Improving the teaching of dance in athlete sessions. This is being addressed through the implementation of the real Dance platform provided by real PE. In addition, offer dance as an extra-curricular club.</p> <p>Ensuring high quality physical activity is provided during afterschool provision. Sports Leader in position to support this.</p>
