We are learning to...

Term 5 Learning

Being a Mathematician

We will be learning about what unit fractions are, how they represent parts of a whole, and how to recognise and use them in different contexts.

Being a Writer

We will be learning how to develop a character through a narrative. We will also be learning how to use a range of punctuation with greater accuracy, including apostrophes and speech punctuation.

Being a Reader

Focussing on reading comprehension, developing summarising skills and Exploring vocabulary and building verbal reasoning skills by exploring and discussing language structures across a variety of text types.

Being an Artist

Learning about printing through and exploring the work of artist Tamara Sorkin.

Being a Scientist

Learning about the water cycle, how water moves around the Earth by evaporation, condensation, clouds and rainfall

Being a Historian

Learning about early European explorers (AD 1400s – 1500s): significant people and events, including technological, social, economic and cultural developments

Being a Geographer

Developing our knowledge of continents, countries and oceans around the world; specifically linked to early European exploration of the world.

Being an Athlete

Real PE and field sports, building a range of skills such as sending, receiving and partner balance through fun challenges and games!

Being a Citizen

'Relationships' is our theme for Term 5 and we'll be thinking about how we can build and develop healthy relationships with others

Being a Computer Scientist

N/A

Being a Designer

We will design an insect-sculpting in wood, devise features & habitat.

Being a Linguist

We will continue to learn Spanish, with a new unit titled 'Bajo el Mar' (under the sea).

Being a Musician

Continue to explore sound, developing technique, and playing simple melodies on brass instruments.
